THANK YOU FOR JOINING THIS UNIQUE RIDE. YOUR BEING HERE MEANS MORE THAN YOU MAY KNOW.

Please remember those no longer with us. Look around; Any of us may be gone from our lives in the next year.

Please ride in silence, in single file, at fixed pace. Use hand signals to communicate turns, braking & hazards.

Please ride with care and allow room to slow or stop. We will pause every mile to mark a mile stone & re-group.

Please ride with any & all lights on. Demonstrate the rules of the road; Obey all vehicle laws & Traffic Rules.

Please be an example of courtesy & a representative of responsible bicycling to all of those watching...

Ride tonight to:

To HONOR those cyclists who have been injured or killed

To RAISE AWARENESS that we cyclists are here

To ask that we all SHARE THE ROAD...
