Dear Mr. Benson and Mr. Moore:

The City of West Hollywood would like to offer our support for the designation of proposed U.S. Bicycle Route 66 (USBR 66) through our city. The City of West Hollywood has recently launched our WeHo Pedals bike share program and is in the process of adopting an update to our Pedestrian and Bicycle Mobility Plan which includes recommendations consistent with USBR 66 designation.

The proposed route for USBR 66 will provide a benefit to our residents and businesses, and we endorse having the route mapped and signed thereby promoting bicycle tourism in our area. Therefore the City of West Hollywood hereby express its support for USBR66, and requests that the appropriate official nominate the route for ASSSHTO designation as soon as this can be achieved.

Sincerely,

Bianca Siegl
